

플루트 운지법

Diagram illustrating 12 different fingerings for a flute, each corresponding to a specific note or pitch. The diagrams show the flute's body with red circles indicating which fingers should be pressed down to produce the desired sound. The notes shown are: C4, D4, E4, F4, G4, A4, B4, C5, D5, E5, F5, and G5.

Diagram illustrating 12 different fingerings for a flute, each corresponding to a specific note or pitch. The diagrams show the flute's body with red circles indicating which fingers should be pressed down to produce the desired sound. The notes shown are: C4, D4, E4, F4, G4, A4, B4, C5, D5, E5, F5, and G5. Three of these diagrams are highlighted with a blue circle containing the text "대체 운지법" (Alternative fingering method).
